Experience Island Life

Location

Located just 30 mins speedboat ride from airport or one and a half hours by ferry ride from the capital island, Male', The island has a long stretch of beach at the edge, a small sandbank type strip of white pristine beach that is sometimes attached to the island during high-tides. During low-tides, guests can walk as far as the eyes can see in the sparkling crystal clear waters.

Enjoy a number of dive spots within short boat ride from the island. We have our own Dive and Water Sports Centre which offers PADI and SSI certification courses from the basic Scuba Dive to Advances courses.
